NICOLAI IS DEAD AGAIN.

Nicolai Lenine is drad again This results. time he has been poisoned and his body has been consigned to the fishes in the River Don. After being reported dead half a dozen times this year heard Westmoreland Davis speak at already revived and more recently the Municipal Hall last might-and to described as being on his last less be sure, many of the spectators were) with high blood pressure and appo- bad for a hot night with its flivier plexy, he staged another comeback a call to the smooth roads The (andi-) day or two and resumed his place at date laid great stress on being a farthe helm of all the Russians. Ilis Washington, overlooking the fact that appetite also came back and he was when he had an opportunity to send) good for another week or so un'il editor' Consistency, thou art indeed some enterprising Russ an queered the a jewel. betting by saying that he had taken poison and is no more. The cat with When I'm dead and in my grave, its proverhial nine lines is a piker Still, watermelon will I crave, compared to the inimitable Nicolai And let the juice come leakin' thru If only Russia was the sort of place where one could travel in comfort and with the assurance of getting three strange that a hen lays the egg, yet square meals a day the thing to do the rooster does the crowing' would be to send an international re- that. You never hear women crowing search party to discover the truth about what they do" about Lenine and to find out whether or not he has violated all traditions; and precedents by dying more than nine times, and just exactly the motive governing his press agents in killing their employer and resurrecting

his ghost in such industrious fashion At the present rate it will not be long before Aesop's fable of the wolf will be applied to the Russian. One of these days he is going to pass away, either naturally or violently and when the news comes out nobody is going picks a woman up in the street" to believe and it is going to be a hard fall was due to man or a banana peel.' lob to convince the world that the mainspring of Soviet machinery has gone.

WHAT ARE AERIAL RIGHTS?

What are the rights in the free and enough? boundless air?

This question has been debated ever since aviation became a growing pastime has been raised in concrete form in Pennsylvania where a farmer filed drop a dish." information, against two aviators who flew over his posted property, this resulting in fines and costs being im- flat. posed. Naturally the airmen have highest court in the land for the pur- thing?" pose of securing a ruling on the test thing!" case. There is no precedent and it will be interesting to see just how games are played in the other world. high property rights go Under the Mortals have always found spirits common law property ownership con- especially adept at hide-an-seek trois the air above and the earth beneath, but in view of the advent of she is not a bit jealous of her buseviation if such a law is to hold good the money he spent on them. aviation will be dealt a severe blow and the unredeemed wilderness will be the only flying centre. The case movie studios in Hollywood was draft in Pennsylvania will be watched with ed by a director to do a recei comedy ciose interest since a new principle scene with a lion. - 25 involved.
